## Atrium

Soaring 110 feet from a base of water features and foliage, The Royal Garden's atrium is enhanced by a state of the art, energy saving lighting feature that accentuates the building's architectural highlights while providing a focal point for both conversation and attention.

Here, the mood changes with each turn of colour – from soft pinks and sky blues to eye-catching oranges, purples and greens, sit in the atrium's café and admire the constantly evolving light show. Let your imagination wander and be moved by the ever-changing tones!

This is the new-look of the beautifully finished Royal Garden – your home in Hong Kong.
